**EVERYONE WELCOME**

**NO CHARGE**

## PROGRAM

### HOW TO SURVIVE ON YOUR AIRPORT

Come hear how you can make your airport a safer place on which to operate. Meet the local airport personnel and members of the Regional FAA Runway Safety Action Team (RSAT). They'll all be there to brief you on what is happening nationally, regionally, and locally at the Scottsbluff and Alliance Municipal Airports, respectively. In addition, they also want to hear what you have to say and answer any questions you may have about runway safety.

### HOW TO AVIATE, NAVIGATE AND COMMUNICATE TO STAY ALIVE ON YOUR AIRPORT

A joint presentation on Runway Safety by the Flight Standards, Airports and Air Traffic Services

This program meets the safety meeting requirements of the FAA Pilot Proficiency Award (WINGS) Program. Completion of the requirements of the Wings Program as outlined in AC 61-91H, will qualify you to receive a Wings lapel pin and wall certificate. Additionally, if you satisfactorily complete a phase of the Wings Program within the period specified by Section 61.56 of the FAR's, you need not accomplish a flight review.
